

We Believe in the Power of Work and The Dignity of a Paycheck

A Request to the Community

The prolonged recession and terrible winter weather is having a very negative impact on Goodwill's ability to provide jobs and training for people desperately in need of a paycheck.

I know many of you are holding on to clothing and your other household items because of the continuing uncertainty of our economy.

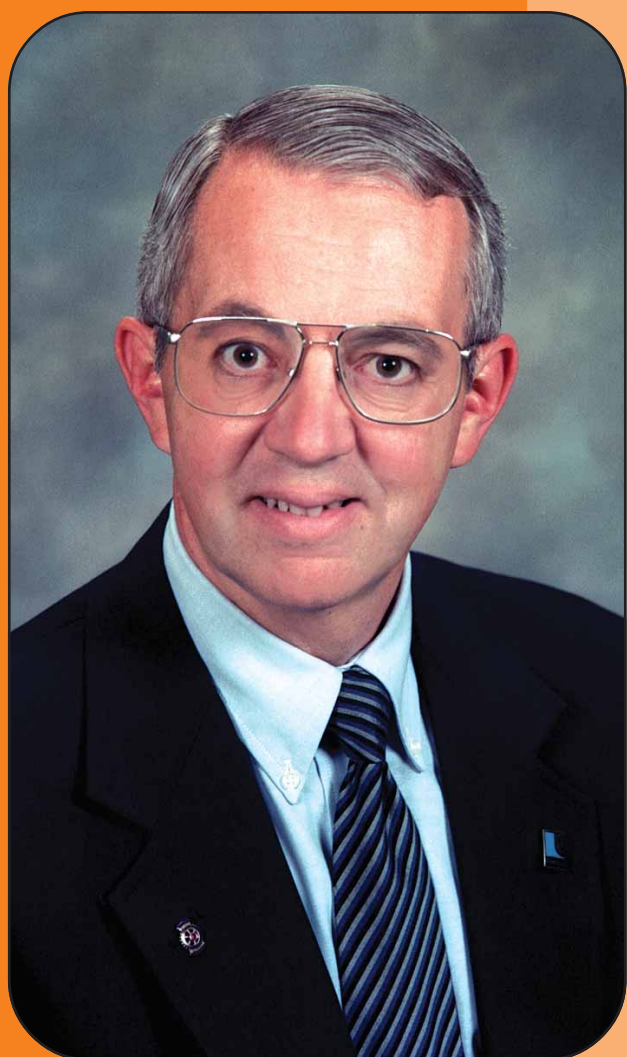

Please help by cleaning out your closets, drawers, basement, attic and garage. Bring all your gently used items to a convenient attended drive-thru at one of our retail stores or to one of our many collection centers.

Due to the low number of donations caused by the uncertainty of the recession, we have less employees than we had last year at this time and those that we have are working shorter hours resulting in smaller paychecks.

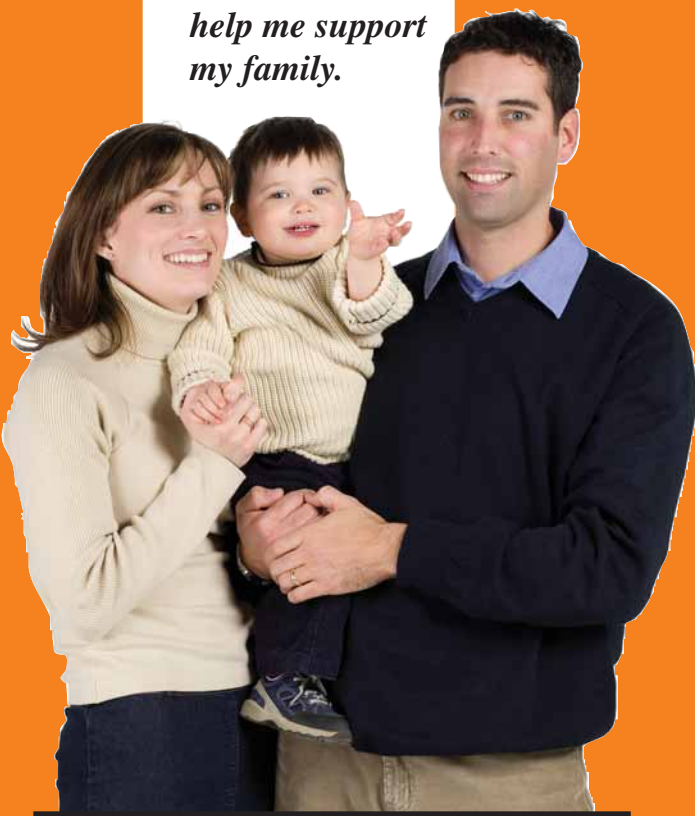

Difficult times challenge us to be even more generous. You can help families who need that weekly paycheck simply by donating all those items in your home you no longer need.

Please Donate As Soon As Possible. You Will Be Making A Big Difference In The Lives of Many Families In Our Community.
